A highly regarded dentist, Dr. Guri Dhaliwal is enthusiastic about dentistry—and people. “Our team is phenomenal,” he says. “We genuinely love working with people and strive to make their visit an enjoyable experience—as if they were coming into our home.” Although Dr. Dhaliwal still thrives in his practice of general dentistry, his passion is in cosmetic dentistry. Getting a new smile can be a life-changing event, increasing self-esteem and confidence, and Dr. Dhaliwal enjoys being a part of that transformation. “It’s awesome for us—being able to provide the highest levels of service and beautiful results,” he says. In their spare time, Dr. Dhaliwal’s entire team donates time to local schools and organizations. “The community has given so much to us,” he says. “It’s a pleasure to give back.”
